# HEMEROCALLIS PRICE LIST FOR FALL 1945

62.31  
Norton Gardens

J. B. S. NORTON

4922 Fortieth Place, Hyattsville, Md.

Prices are for divisions shipped prepaid; they are 20% less for delivery at the Garden, or on orders of \$10 or more.

Those with (\*) are the ones we like best. Those with N originated in our Garden.

These daylilies succeed under a great variety of conditions. They bloom from two to six weeks, from spring to late fall, in nearly all colors and color combinations except blue and white. They are hard to kill. April and August are favored planting times. September is fine here except for spring blooming kinds.
